

# REGIONAL COOPERATION

- Regional Mechanism: to maintain regional cooperation.
- ERIA and CAPSA could get involved other donors to collaborate such WB, ADB to get more fund. ERIA and CAPSA propose to them.
- Appoint Focal Point: should have Strong Team at country level by appoint focal point in each country for coordination and communication.
- Technical transfer via Triple PPP
- ERIA and CAPSA should have small program for each country (awareness, education)
- ERIA and CAPSA carry out assessment for each country assessment on climate change adaptation measure to agriculture
- Establish Central Information for Region.
